

ASIAN PACIFIC AQUACULTURE 2019 SESSION SCHEDULE

Date/Time		Audit A	Audit B	Audit C	Hall 1	Hall 2	Hall 3	Hall 4	Room 5	Room B	Room A	Time/Date
W e d J u n e 1 9	8:45	Welcome Words , Plenary & Opening Ceremony in Main Auditorium Room					Welcome words , Plenary & Opening Ceremony in Main Auditorium room					8:45
	10:00	Exhibition & Refreshment & Posters in Exhibition hall					Exhibition & Refreshment & Posters in Exhibition hall					10:00
	Session	Aquatic Animal Health	Feed, Nutrition, Physiology		Industry Forum	Environmental Management	Brackish Water	Brackish & Marine	ISTA12	Sustainability, Livelihood, Nutritional	Freshwater Aquaculture	Session
	11:00-13:00	Disease Diagnosis & Management	Larval Feed, Microalgae, Live Feeds	Mariculture Seaweed Culture	Farmers Meet (NFDB)	Biodiversity	Finfish Culture	Seed Production of Brackish & Marine	ISTA12 Tilapia Nutrition / Health and Disease	Gender in Aquaculture	Broodstock Develop & Seed Production	11:00-13:00
	12:30-14:00	Lunch in Exhibition hall					Lunch in Exhibition hall					12:30-14:00
	13:40-15:40	Disease Diagnosis & Management	Larval Feed, Microalgae, Live Feeds	Catfish and Other Finfish	Advanced Research Developments on Shrimp Culture	Water Quality Management	Inland Saline & Arid Land Aquaculture	Seed Production of Brackish & Marine	ISTA12 Tilapia Country Reports	Fish in Women & Child Nutrition	<u>Broodstock & Seed</u> 14:40 Larval Rearing & Hatchery	13:40-15:40
	15:40:16:00	Exhibition & Refreshment in Exhibition hall - Posters in Lobby					Exhibition & Refreshment in Exhibition hall - Posters in Lobby					15:40:16:00
	16:00-18:40	Diagnostics	Shrimp Hatchery & Nursery Practices	<u>Catfish/Other Finfish</u> 16:40 Contributed Animal Health	Advanced Research Developments on Shrimp Culture	Water Quality Management	Genomics & Transcriptomics	Induced Breeding Hatchery	Food Safety Standards	Entrepreneurship Development	Larval & Hatchery Management	16:00-18:40
	18:00-19:30	WAS 50th Anniversary Happy Hour in Exhibition Hall - Posters in Lobby					WAS 50th Anniversary Happy Hour in Exhibition Hall - Posters in Lobby					18:00-19:30
18:00-20:00	Student Forum & Reception in Hall 3					Student Forum & Reception in Hall 3					18:00-20:00	
T h u r J u n e 2 0	Session	Aquatic Animal Health	Feed, Nutrition, Physiology	Genetics & Reproduction	Industry forum	Environmental Management	Biotechnology / Nanotechnology & Omics	Innovative Aquaculture Systems	Economics, Marketing, Trade	Sustainability, Livelihood, Nutritional security	Freshwater Aquaculture	Session
	9:00-10:40	Prebiotics & Probiotics	Fishmeal Replacement in Aquaculture	Genetic Improvement	Health & Nutrition for Sustainable Aquaculture	Biodiversity	Genomics & Transcriptomics	Shrimp Culture	Aquaculture Economics & Finances	Indigenous Technical Knowledge	Cage & Pen Culture	9:00-10:40
	10:40-11:00	Exhibition & Refreshment & Posters in Exhibition hall					Exhibition & Refreshment & Posters in Exhibition Hall					10:40-11:00
	11:00-13:00	Disease Management in Shrimp culture	Fishmeal Replacement in Aquaculture	Conservation Genetics	Health & Nutrition for Sustainable Aquaculture	Biodiversity	Genomics & Transcriptomics	RAS and Flow Through Systems	Aquaculture Economics & Finances	Farmers Income & Welfare	Cage & Pen Culture	11:00-13:00
	12:30-14:00	Lunch in Exhibition Hall					Lunch in Exhibition hall					12:30-14:00
	13:40-15:40	Immunology - Vaccines	Alternative Feed Ingredients	<u>Conservation Genetics</u> 14:40 Reprod Physio	Uni President Forum	Environmental Issues & Management	Biotechnology & Nanotechnology	Biofloc-based culture Systems	Marketing, Trade & Policy	Ornamental Fish Culture	Carps,Barbs & Other Cyprinids	13:40-15:40
	15:40-16:00	Exhibition & Refreshment & Posters in Exhibition hall					Exhibition & Refreshment & Posters in Exhibition hall					15:40-16:00
	16:00-18:40	Immunology - Vaccines	Alternative Feed Ingredients	Shrimp Genetics	SAP Shrimp Session	Environmental Issues & Management	Biotechnology & Nanotechnology	Biofloc-based culture Systems	Marketing, Trade & Policy	Ornamental Fish Culture	Carps,Barbs & Other Cyprinids	16:00-18:40
	18:00-19:00	Happy Hour in Exhibition Hall - Posters in Lobby					Exhibition & Refreshment in Exhibition hall - Posters in Lobby					18:00-19:00
18:00-18:40	WAS-APC Members Meeting					WAS-APC Members Meeting					18:00-18:40	
F r i	Session	Aquatic Animal Health	Feed, Nutrition, Physiology			Environmental management		Innovative Aquaculture Systems	Human Resources Development	Processing value added	Mariculture	Session
	9:00-10:40	Diagnostics & Epidemiology	Contributed Culture Systems	SPD seminar	Functional Feed Ingredients	Environmental Issues & Management	Food Quality & Consumption	Mixotrophic Culture Systems	Human Resource Development	Post Harvest Processing - Preservation	Open - Sea Cage Culture	9:00-10:40
	10:40-11:00	Exhibition & Refreshment & Posters in Exhibition hall					Exhibition & Refreshment & Posters in Exhibition hall					10:40-11:00

J u n e 2 1	11:00-13:00	Diagnostics & Epidemiology	Grow Out & Broodstock Nutrition	Contributed Environment	Functional Feed Ingredients	Disaster Management	Food Quality & Consumption	Aquaponics and Other Culture Systems	Human Resource Development	Post Harvest Processing - Preservation	Open - Sea Cage Culture	11:00-13:00	J u n e 2 1
	12:30-14:00	Lunch in Exhibition hall					Lunch in Exhibition hall					12:30-14:00	
	13:40-15:40	Pharmacology & Alternative Medicines	Grow Out & Broodstock 14:40 Nutritional Physiology	Contributed Environment 15:20 Waste Utilization	Functional Feed Ingredients	Disaster Management	Contributed Animal Health	Aquaculture Engineering	Human Resource Development	Product Development & Value Addition	Integrated Multitrophic Aquaculture Systems	13:40-15:40	
	15:40-16:00	Exhibition & Refreshment & Posters in Exhibition hall					Exhibition & Refreshment & Posters in Exhibition hall					15:40-16:00	
	16:00-18:00	Pharmacology & Alternative Medicines	Nutritional Physiology	Waste Utilization			Contributed Animal Health	Aquaculture Engineering	Human Resource Development		Integrated Multitrophic Aquaculture Systems	16:00-18:00
