Respected sir

I am interested in the Assistant professor position as advertised in the 'www.tnjfu.ac.in'. The requirements exactly match my educational background and past experience. Hereby, I have enclosed my resume to provide detailed information on my qualifications and skills for your review.

Throughout my past professional career, I have undertaken various important responsibilities with utmost sincerity. I have involved in the field of aquaculture both as research fellow and also as an entrepreneur making my experience involving in hands on learning and teaching as my personal expertise. In my earlier experience ive prepared the analysis reports, coordinated with the research data product team in order to ensure that the data collected are up to date and managed the product lead communications. I acquired the following skills after completing my years as Post graduate college degree in :

- Sound knowledge of culture and feed preparation
- Experience in establishing and operations of Spirulina and shrimp farm set up
- Good interpersonal skills and communication skills.
- Ability to maintain good quality and have successfully reach the production target.
- Sound knowledge in the service development.

With an urge to work both independently and well, in a team; I am positioned to exceed your expectations. I would look forward to get an opportunity to meet with you to discuss my candidacy in more details. I thank you very much for your time and consideration.

Yours sincerely,

N.Dhilip Maniraj M.F.Sc.,
