PERSONAL SKILLS

I have a high capacity of interaction and group communication. Good at reconcile positions and making the group work together. Even with people of different ages and technical abilities. I've managed to get good concept in this regard in my work experience.

I am very focused on objectives. Perseverance and patience are two traits that I use to get results. Be expected, reconcile and use tools to get to where I want to.

EDUCATION

2018-2019 **MASTER DEGREE IN AQUACULTURE**
