

**AQUACULTURE AMERICA 2009**  
**SESSIONS AT A GLANCE BY SCHEDULED TIME**

**Monday, February 16**

NAAHP Update	11:00	12:30
Aquaculture Products: Post Harvest Quality, Product Innovations and Consumer Acceptance	11:00	12:30
Training and Extension Technology	11:00	12:30
Engineering	11:00	12:30
Careers in Aquaculture	11:00	12:30
Cryopreservation in Aquatic Species Book Party	11:00	12:30
Lipids in Aquaculture Nutrition and Physiology	11:00	16:30
Therapeutic Drug Research	11:00	16:30
Channel X Blue Hybrid Catfish	11:00	16:30
Larviculture	11:00	16:30
Shrimp Feeding and Nutrition	11:00	16:30
Water Quality	11:00	16:30
Women in Aquaculture	13:30	16:30
Effective Extension Program Development and Evaluation	13:30	16:30
Zebrafish Workshop	13:30	16:30
Energy Use, Resources Consumption, and Sustainability of Aquaculture Systems	13:30	16:30
International Aquaculture Development for the Poor	13:30	16:30
Town Hall Engagement with Federal Aquaculture Programs	13:30	16:30

**Tuesday, February 17**

Aquatic Animal Diagnostics	8:30	10:00
Shrimp Culture	8:30	12:30
IAAEM- Current Issues in Aquaculture Economics, Management and Marketing	8:30	12:30
How to do Business in the Post VHS World	8:30	12:30
Alternative Feedstuffs for Aquaculture: A PPA, NOAA, and USDA Joint Technical Session	8:30	17:00
Statistics in Aquaculture Research	8:30	17:00
Paddlefish in Aquaculture: Perspectives and Directions	8:30	17:00
Zebrafish Workshop Continued	8:30	17:00
Organic Aquaculture: Present Challenges, Future Opportunities	8:30	17:00
U.S. Offshore Aquaculture	8:30	17:00
Aquaculture 101 - Starting an Aquaculture Business	8:30	17:00
How to Reach Seafood Buyers – The ABCs	10:30	12:30
Improving National Aquaculture Statistics	10:30	12:30
International Marine Shrimp Environmental Genomics Initiative: Monitoring Ecosystem, Animal, and Public Health	13:30	17:00
Current Status of VHS Research and Extension	13:30	17:00
USTFA Industry	13:30	17:00
ATA Industry Forum	13:30	17:00

**Wednesday, February 18**

Developments in Marine Baitfish Culture	8:30	12:30
Nutritional Physiology	8:30	12:30
Aquaculture Drug Approval Successes	8:30	12:30
Reproduction	8:30	12:30
Advances in Sturgeon Culture	8:30	12:30
Catfish	8:30	12:30
SBGA Industry Forum	8:30	3:00
General Finfish Nutrition	8:30	17:00

General Aquaculture	8:30	17:00
Aquaculture Marketing Tools and Techniques	8:30	17:00
U.S. Marine Shrimp Farming Program	8:30	17:00
Finfish Culture	8:30	17:00
Genetics and Selection	13:30	17:00
Health and Disease	13:30	17:00
