World Aquaculture 2020  
**Singapore EXPO Convention and Exhibition Centre & Max Atria, Singapore**  
**Dec 14 - 18, 2020**

### **World Aquaculture 2020 Update**

World Aquaculture 2020 remains scheduled for December 14-18, 2020. The Steering Committee is working hard to keep track of the developing guidelines and regulations from the Singapore government, international health organizations and other authorities. As these develop, we will be incorporating them into WA2020 to make it the safest and most effective Conference and Exposition possible. We will be keeping you informed of updates on our website as they develop.

**Abstract Deadline extended to August 3, 2020 to allow for latest submissions and submissions on the new session below.**

#### **Call for a special session at World Aquaculture Singapore 2020**

WA2020 will add a thorough session on Aquaculture and the COVID19 pandemic and preparation for future crisis situations.

#### **COVID-19 and Pandemics: Aquaculture and for Food Security**

In light of the ongoing pandemic associated with COVID-19, the world Aquaculture Conference 2020 is making a call for abstract submission to the special session: COVID19 and Pandemics – Aquaculture and Food Security. The brainstorming session welcomes ideas and solutions to address the impacts of current and future pandemics on production, supply chain, financial biosecurity, marketing channels and E-commerce, science and technology, recovery, sustainability and development, society, and governance.

In these uncertain Covid19 period we like to suggest all exhibitors to consider WA2020 as an international platform where you can invite your customers, have your business meetings and organize your social functions. Save time and money and get together at one of the many meeting rooms at WA2020. Free trade show passes for all invitees. WA2020 will follow the strict Singaporeans Safety regulations.
