Attendees will be able to see what is happening in Indonesian aquaculture to create this growth as well as aquaculture developments in the rest of Southeast Asia.

Asia Pacific Aquaculture 2016 is the place to learn about the latest in aquaculture, see the newest technology in the trade show with exhibits from around the world and enjoy the many tourist sights in Indonesia. The International Symposium on Tilapia in Aquaculture (ISTA) will be part of the program.

SPECIAL PRODUCER PROGRAM

Asia Pacific Aquaculture 2016 will have several special Industry sessions with the latest in practical knowledge for the Indonesian aquaculture producers. IndoAqua, Fita and 12th All Indonesian Young Koi Show are included in this event.

TECHNICAL PROGRAM COVERS THE LATEST RESEARCH

Sessions and workshops at Asia Pacific Aquaculture 2016 will cover all aspects of aquaculture in Indonesia as well as Southeast Asia.
CALL FOR PAPERS – DEADLINE: December 31, 2015

ASIAN-PACIFIC AQUACULTURE 2016 encourages the submission of high quality oral and poster presentations. We strongly encourage authors to consider poster presentations because poster sessions will be an integral part of the program. Papers submitted for "oral presentation only" may not be accepted as oral presentations due to the limited number of available time slots. All abstracts must be in English - the official language of the conference.

Posters will have a featured and prominent place in ASIAN-PACIFIC AQUACULTURE 2016:
- Presenters that turn in the PDF or PowerPoint of their poster four weeks before the conference will have their poster reviewed at the end of the appropriate oral session.
- If turned in as stated above, the posters will also go on the conference website.
- Besides the two Happy Hours in the exhibits, there will be an additional Special Poster Viewing & Happy Hour on Friday.
- In the Program Book, special announcements will be made in the oral session lists of where relevant posters can be found.

Each oral presenter shall be entitled to no more than 15 minutes for a presentation, plus 5 minutes for questions. Authors of studies involving proprietary products or formulations should present this information in workshops or the trade show. Oral presentations should use Power Point. Overhead and slide projectors and video players will not be available or allowed.

All presenters are required to pay their own registration, accommodation and travel expenses. ASIAN-PACIFIC AQUACULTURE 2016 cannot subsidize registration fees, travel or hotel costs.

No Abstract Book will be printed - a USB will be given to registered attendees.
